

SIERRA GORDA

Colonial Tour

México

The Sierra Gorda in the heart of the central México, is filled with history, rare mining cultures and a rich past immersed in the days of colonization and evangelization.

Its biodiversity, cultural heritage, the stark beauty of its mountains, archeological sites and beautiful missions, constitute one of Mexico's most valuable and fascinating regions.

Due to the rugged topography and the unbelievable number of twisties found along its back roads and highways, The Sierra Gorda represents one of México's finest adventure motorcycling destinations.
